

## The château

In 1874, Feret's third edition had already revealed Château Vermont as one of the top growths of the Entre deux Mers appellation.

This vineyard makes up today's 40 hectares of vines planted encircling this 19e century castle.

Since 2010, we work to extract the best of its 'terroir' and restore this property to all its former glory.

Elisabeth et David LABAT

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Area             | : 5 hectares                                             |
| Vineyard age     | : 9 years                                                |
| Production       | : 20,000 bottles                                         |
| Terroir          | : clay-limestone with some entirely drained silt         |
| Pruning          | : guyot double                                           |
| Varietals        | : Sauvignon Blanc 70%<br>Semillon 20% Sauvignon Gris 10% |
| Density          | : 4,500 vine stocks/ha                                   |
| Yield            | : 50 Hl / ha                                             |
| Parcel selection | : yes                                                    |

## Winemaking

|                      |                                       |
|----------------------|---------------------------------------|
| Maceration           | : pre-fermentative cold maceration 5° |
| Pressing             | : direct pressing to low pressure     |
| Fermentation T°      | : 16°                                 |
| Type of vat          | : stainless steel thermo regulated    |
| Temperature control  | : yes                                 |
| Aging                | : on the fine lees                    |
| Alcohol              | : 12,5% vol                           |
| Consulting winemaker | : Claude Gros                         |

## Tasting Characteristics

Traditionnal blend of « Grand Vin Blanc de Bordeaux ».

Powerfull, the nose is complex and elegant, and very aromatic dominated by floral notes (white flowers) and citrus (grapefruit).

The palate seduce by the roundness of Semillon, the mineral freshness of Sauvignon, and cirtrus aromas, passion fruit of Sauvignon Gris.
